

PARENT/GUARDIAN: Your student may be qualified to receive an Overflow/PLUS Tax Credit Scholarship if the following statements are true:

The student has previously received a scholarship from the **Overflow/PLUS tax credit source** from another school tuition organization.

and

The student must have continued to be enrolled in a qualified Arizona private school since receiving that scholarship.

Note: If the student subsequently withdrew to be homeschooled, the student does not qualify for Overflow. If the student is now trying to qualify for Overflow/PLUS for the first time as a public school switcher or Corporate scholarship recipient please use our other forms specific for those qualifications.

INSTRUCTIONS: The Arizona Department of Revenue requires that we receive verification that the student received a scholarship through the Overflow/PLUS scholarship program. This information must be **completed by the STO that made the award** and submitted to ACSTO. If that STO is no longer in operation, please contact ACSTO.
