FAMILY FINANCIAL INFO (HOUSEHOLD INCOME)

You only need to fill out **one Family Financial Info Form per family**. This information will be held in the strictest confidence.

We determine financial circumstances based on the USDA's definition of household income. A **household** is a group of related or unrelated individuals who share housing, income, and expenses. You do not have to list those who are economically independent from you or their dependents, even if you share housing. **If the student is a foster child, skip this section and complete the Foster Child information below.**

Include **ALL** household members below, including children, students away at college, and individuals without income.

Processing delays can occur for applications containing incomplete Financial Info Forms.

<p>NAMES List the first and last name of every person living in your household. <i>Include adults and children.</i></p>	<p>GROSS INCOME Following each person's name, for each type of income, list the annual amount received. If no income, check NO.</p>	<p>EARNINGS FROM WORK List gross income from work (wages, salaries, tips, commissions). This is not the same as take-home pay. It is the amount earned before taxes and deductions. It should be listed on your pay stub. If self-employed, you may report income after expenses (your own business, freelance work, farm, or rental property).</p>	<p>WELFARE, CHILD SUPPORT, SPOUSAL MAINTENANCE Include TANF, General Assistance, General Relief, etc. <i>NOTE: Food stamps and FDPIR benefits are not included as income.</i></p>
