

Sample Letter 1—Tax Credit Focused

Timing: end of the year

Hello Family and Friends:

We hope this letter finds you well. We are all doing well and pray you are too. It is hard to believe the year is almost over. **[Child's name]** is enjoying his/her **[school year, ex:7th grade, sophomore]** year at **[name of school]**. He/She **[discusses school activities, participation or interests]**. **[2nd child's name]** is in **[school year, ex:7th grade, sophomore]** year at **[name of school]**. He/She **[discusses school activities, participation or interests]**. **[Be sure to include grown children or any other family updates]**.

[Name of child/ren] would not have been able to attend **[Name of School]** for **[number of years]** if it was not for the scholarships they received from **Arizona Christian School Tuition Organization (ACSTO)**. This has only been possible because Arizona Taxpayers like yourself, have given a tax credit donation to ACSTO, who then award scholarships to students attending Christian Schools utilizing these tax credit donations.

When you give a tax credit donation, you receive a dollar for dollar tax credit against your state tax liability. This truly reduces your state income tax responsibility. So, when you file your state taxes, if you traditionally receive a refund—your tax credit donation will increase your refund. If you owe the state, you either reduce the amount you pay or end up with a refund!

As a taxpayer, you are going to have to pay the money anyway, so why not donate your money instead of it going to the state in taxes—***making a tax credit donation will cost you nothing extra***. You can even recommend a **[name of child/ren]** to be considered for the scholarship.

For [current tax year], a married couple filing jointly may donate to ACSTO up to [current tax credit maximum—refer to our donation card or website] and a single taxpayer may donate up to [current tax credit maximum—refer to our donation card or website]. You may donate anytime throughout the tax year, you can donate all the way up to April 15th, or before you file your taxes, whichever comes first, and claim it for the previous tax year as well!

Please read the enclosed brochures for more information about ACSTO and the donation process. You may also visit their website at www.acsto.org. To donate you can complete the form in the donation brochure or donate online. Please be sure to recommend [child's name] or [2nd child's name] for a scholarship. It is important to specify [child's full name @ school] and/or [2nd child's name @ school]. We also encourage you to discuss this great tax credit opportunity with your tax advisor. The state of Arizona also offers several other tax credit opportunities for public school, working poor and foster care. You can participate in all of them if you do not exceed your state tax liability (State tax form 140, "Subtotal of tax").

Donor information is confidential, so please do not feel pressured. We understand it may not be financially possible for you to donate now, but keep in mind this tax credit opportunity is always available. If you can donate we would love for you to let us know so we can thank you! Remember, this donation will essentially cost you nothing in the end, but will make a huge difference in the lives of [name of child/ren].

On behalf of our entire family, thank you for considering this wonderful opportunity. If you have any questions feel free to call **[parent name]** at **[phone number]**, **[parent name]** at **[phone number]** or email us at **[email address]**.
