

Sample Letter 1 — Tax Credit Focused

Timing: End of the Year

Hello Family and Friends,

It is hard to believe this year is almost over. We are all doing well and pray you are, too. **[Child 1's name]** is enjoying his/her **[school year, ex: 7th grade, sophomore]** year at **[Name of School]**. He/She **[discuss school activities, participation or interests]**. **[Child 2's name]** is in **[school year, ex: 7th grade]** at **[Name of School]**. He/She **[discuss school activities, participation or interests]**. **[You may want to include other pertinent family updates here]**.

[Name of child/ren] would not have been able to attend **[Name of School]** for the past **[# of years]** years if it were not for the scholarships he/she/they received from **Arizona Christian School Tuition Organization (ACSTO)**. This has only been possible because Arizona taxpayers like you gave a tax credit donation to ACSTO, which then awards scholarships to students attending Christian schools.

When you give a tax credit donation to ACSTO, you receive a **dollar-for-dollar tax credit** against your Arizona income tax liability. This truly reduces your state tax responsibility. So, when you file your state taxes, if you typically receive a refund — your tax credit donation will increase your refund. If you owe the state, you either reduce the amount you pay or end up with a refund!

As a taxpayer, you have to pay your taxes anyway, so why not donate this money instead of giving it to the state? **Making a tax credit donation costs you nothing extra.** You can even recommend **[Name of child/ren]** to be considered for a scholarship.

For **[current tax year]**, a married couple filing jointly may donate up to **[current tax credit maximum — refer to our donation card or website]** and a single taxpayer may donate up to **[current tax credit maximum — refer to our donation card or website]**, or their actual tax liability (whichever of these is less). You may donate before the end of the year, or before filing your taxes (no later than April 15) and still claim the credit for the previous tax year.

Please read the enclosed brochures for more information about ACSTO and the donation process. You may also visit their website at acsto.org. To donate, complete the form in the donation brochure or donate online. Please be sure to recommend **[Child 1's name]** and/or **[Child 2's name]** for a scholarship. **It is important to specify [Child 1's full name @ school] and/or [Child 2's full name @ school]**. We encourage you to discuss this great tax credit opportunity with your tax advisor. The state of Arizona also offers tax credits for public schools, charitable organizations, and foster care. You can participate in all of these as long as you do not exceed your state tax liability (see Arizona Tax Form 140, "Subtotal of tax").

Donor information is confidential, so please do not feel obligated to participate. We understand it may not be financially possible for you to donate at this time, but keep in mind this tax credit opportunity is always available. If you can donate, we would love for you to let us know so we can thank you! Remember, this donation will essentially cost you nothing in the end, but will make a huge difference in the life/lives of **[Name of child/ren]**. If you know others who may benefit from this tax credit, please share this information with them.

On behalf of our entire family, thank you for considering this wonderful opportunity. If you have any questions, feel free to call **[Parent name]** at **[phone number]**, **[Parent name]** at **[phone number]**, or email us at **[email address]**.

Sample Letter 2 — Tax Credit Focused

Timing: End of the Year

Hello Family and Friends,

Did you know Arizona taxpayers can provide scholarships to students enrolled in private schools while receiving a **dollar-for-dollar tax credit** against their state income tax? What this means is you can donate to a certified school tuition organization such as **Arizona Christian School Tuition Organization (ACSTO)** and, in return, reduce your state income tax responsibility. You can even recommend a specific school and/or student with your donation. ACSTO processes the donations and considers these recommendations when awarding scholarships to its applicants. You may donate any time up until you file your taxes (no later than April 15th) and still claim the credit for the previous tax year.

Over the past **[# of years]** years, our child/children **[Name of child/ren]** has/have benefited greatly from tax credit scholarships, making it possible for us to continue to provide him/her/them with the educational atmosphere we desire.

Please consider donating to ACSTO to help scholarship **[Child 1's name]** and/or **[Child 2's name]** while receiving a dollar-for-dollar tax credit. Sample Letter 10 — Out-of-State Donor (to be used with ACSTO Out-of-State Donation Brochure)

Timing: End of the Year

Hello Family and Friends,

It is hard to believe this year is almost over. We are all doing well and pray you are, too. **[Child 1's name]** is enjoying his/her **[school year, ex: 7th grade, sophomore]** year at **[Name of School]**. He/She **[discuss school activities, participation or interests]**. **[Child 2's name]** is in **[school year, ex: 7th grade]** at **[Name of School]**. He/She **[discuss school activities, participation or interests]**. **[You may want to include other pertinent family updates here]**.

We are so thankful for the opportunity we have here in Arizona to send our child/children to the school of our choice. We know our child/children is/are receiving an excellent education in a loving and nurturing environment, as well as developing skills to equip him/her/them to live in the world as we know it. Most importantly, he/she/they is/are growing spiritually. Our goal is to keep him/her/them enrolled in Christian school through the 12th grade. However, since private schools receive no state or federal funding, parents are responsible for the cost of tuition. We are asking for your help.

Arizona Christian School Tuition Organization (ACSTO) is a 501(c)(3) charitable non-profit organization whose sole purpose is to scholarship Arizona students attending Christian schools. Your donation to ACSTO qualifies as a federal charitable deduction just like a donation to your church, missions, a local food bank, or any other non-profit organization. Please read the enclosed brochure for more information about ACSTO or visit their website at acsto.org.

When making your donation, please be sure to recommend **[Child 1's full name @ school]** and/or **[Child 2's full name @ school]**. A recommendation does not reserve a scholarship for a student, however, ACSTO's scholarship selection committees will consider the recommendation when awarding scholarships to students at the school. Either way, your donation will benefit **[Name of School]** and support Christian Education in Arizona.

Donor information is confidential, so please do not feel obligated to participate. We understand it may not be financially possible for you to donate at this time, but keep in mind this opportunity is always available. If you can donate, we would love for you to let us know so we can thank you!

On behalf of our entire family, thank you for your consideration. If you have any questions, feel free to call **[Parent name]** at **[phone number]**, **[Parent name]** at **[phone number]**, or email us at **[email address]**.
