

Instructions

Please read and complete the entire application. The scholarship application consists of three parts—the **Student Information**, a **Narrative** about the student, and a **Financial Info Form** about your family. **Without a complete application, your student will not be eligible for any scholarship awards.**

Only one application is required per student, per school year. After submitting an application, the student will be considered for a scholarship award during each upcoming award cycle in that school year. In order to be considered for a particular award cycle, the completed application must be postmarked or sent to us by the application deadline, and the student must either be in the enrollment process or currently enrolled at the school. You can mail, e-mail, or fax your completed application to ACSTO, or complete it online at acsto.org. **This application will expire on May 31st, 2018**, regardless of when we receive it.

Please do not submit multiple copies of your application, unless it contains updated information.

FINANCIAL INFO FORM

You only need to fill out one Financial Info Form per family.
This information will be held in the strictest confidence.

Household Income

We determine financial circumstances based on the USDA's definition of household income. A **household** is a group of related or unrelated individuals who share housing, income, and expenses. You do not have to list those who are economically independent from you or their dependents, even if you share housing.

Include **all** household members below, **including children, students away at college, and individuals without income.**

Processing delays can occur for applications containing incomplete Financial Info Forms.

NAMES: List the first and last name of **every** person living in your household. **Include adults and children.**

GROSS INCOME: Following each person's name, for each type of income, list the annual amount received.

Earnings from work: List gross income from work (wages, salaries, tips, commissions). This is not the same as take-home pay. It is the amount earned before taxes and deductions. It should be listed on your pay stub. If self-employed, you may report income after expenses (your own business, freelance work, farm, or rental property).

Welfare, Child Support, Spousal Maintenance: Include TNAF, General Assistance, General Relief, etc.

NOTE: Food stamps and FDPIR benefits are not included as income.

Pensions, Retirement, Social Security: Include Supplemental Security Income (SSI), Veteran's (VA) benefits, and disability benefits.

All Other Income: Include Worker's Compensation, unemployment, strike benefits, net rental income, annuities, net royalties, interest, dividend income, cash withdrawn from savings, income from estates, trust and/or investments, regular contributions from people who do not live in your household, and **any other income**. If you are in the military, you do *not* have to include combat pay as income.
