Corporate Tax Credit Low-Income or Disabled/Displaced Scholarship Verification

PARENT/GUARDIAN: Your student may be qualified to receive an Overflow/PLUS Tax Credit Scholarship if both of the following are true:

The student has previously received a scholarship from corporate donations for low-income students or from corporate donations for displaced students and students with disabilities in a prior school year.

and

The student must have continued to be enrolled in a qualified Arizona private school since receiving that scholarship.

Note: If the student subsequently withdrew to be homeschooled, the student does not qualify for the Overflow/PLUS program. If the student was enrolled in an Arizona public school for 90 days during the last fiscal/school year, please refer to our public school verification form instead of this one.

INSTRUCTIONS: The Arizona Department of Revenue requires that we receive verification that the student received a scholarship through a corporate scholarship program. This information must be **completed by the STO that made the award** and submitted to ACSTO. If that STO is no longer in operation, please contact ACSTO.
