OVERFLOW TAX CREDIT

SCHOLARSHIP VERIFICATION FORM

(also known as PLUS or Switcher)

PARENT / GUARDIAN

Your student may be qualified to receive an Overflow Tax Credit Scholarship if **both** of the following are true:

The student has previously received a scholarship from the **Overflow Tax Credit** source from another school tuition organization.

-OR-

The student has previously received a scholarship from **Corporate Donations** for low-income students or for displaced students and students with disabilities in a prior school year.

AND

The student must have **continued to be enrolled** in a qualified Arizona private school since receiving that scholarship.

NOTE: If the student subsequently withdrew to be homeschooled, attend a public school for fewer than 90 days in the previous school year, or moved out of state, the student does not qualify for Overflow. If the student is now trying to qualify for Overflow for the first time as a public school switcher scholarship recipient, please complete our **Public School Verification Form**.

INSTRUCTIONS

The Arizona Department of Revenue requires that we receive verification that the student received a scholarship through the Overflow or Corporate scholarship programs. This information must be submitted by the STO that made the award and submitted to ACSTO. If that STO is no longer in operation, please contact ACSTO.
