

WHAT SCHOLARSHIPS DOES MY STUDENT QUALIFY FOR?

Kindergarten – 12th grade students are eligible for four types of Tax Credit Scholarships as long as they meet the qualifications for each one. In order for a student to be considered for any of these scholarships, they must have an application on file with a School Tuition Organization and the student must be enrolled in a private school.

Preschool students with disabilities may also qualify for these scholarships. They must have an MET or IEP from an Arizona public school.
